

THE HONORABLE JOHN C. COUGHENOUR

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BERNARD WAITHAKA, *et al.*,

Plaintiffs,

v.

AMAZON.COM, INC., *et al.*,

Defendants.

CASE NO. C19-1320-JCC

MINUTE ORDER

This matter comes before the Court on the parties' joint status report (Dkt. No. 163), following the Supreme Court's denial of certiorari petitions in *Carmona v. Domino's Pizza LLC*, No. 23-427, 2024 WL 1706016, slip op. at 1 (U.S. 2024), and *Miller v. Amazon.com, Inc.*, No. 23-424, 2024 WL 1706098, slip op. at 1 (U.S. 2024). In that report, the parties provide dueling proposals for a path forward in this putative class action. (*See generally* Dkt. No. 163). At issue is to what extent the stay in this matter, (Dkt. No. 153 at 1), should be lifted. (*See generally* Dkt. No. 163.) After reviewing the joint status report, the Court concludes it is now appropriate to lift the stay *in its entirety*.

To assist the Court in formulating a scheduling order for anticipated concurrent renewed motions for class certification and to compel arbitration, the parties are DIRECTED to meet and confer and provide the Court with a supplemental joint status report containing a proposed

1 revised case management schedule, through class certification. This supplement shall be filed
2 with the Court no later than May 10, 2024.

3 In the meantime, the stay remains in effect. The Court expects to lift it when it enters a
4 revised case management order. To the extent a party wishes that the Court consider a motion
5 previously struck by the Court, (*see* Dkt. No. 155 at 2), they must so renew that motion but need
6 not refile supporting declarations. They can rely on previously filed declarations (with references
7 to their location on the docket, *e.g.*, Dkt. No. ____ at ____).
